Model A · Lexical | How leading topics vary over time

Top topics ranked by total fractional-document weight across 2016–2025. Draft titles summarize clustered keywords.

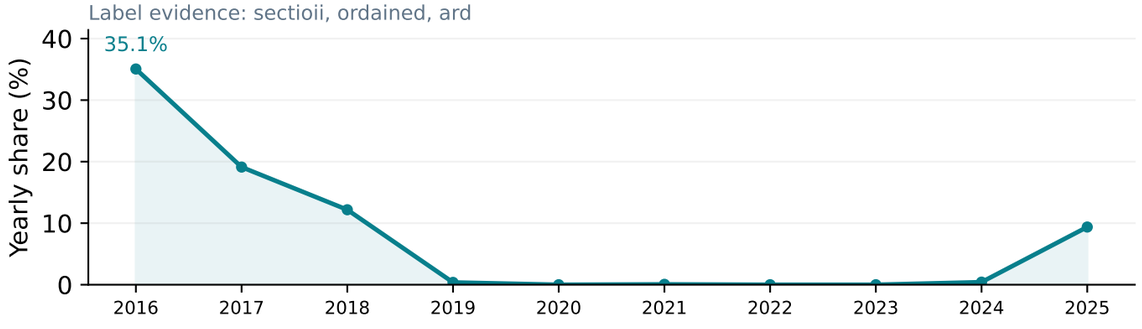

Includes procedural/OCR-heavy clusters when they rank highly; do not interpret those as substantive policy themes.
Same color scale across models. Topic IDs and titles do not imply cross-model equivalence.

Model A · Lexical | Leading topic trajectories

Top clusters by total document weight; procedural and unclear clusters remain visible. Titles are drafts, not expert ratings.

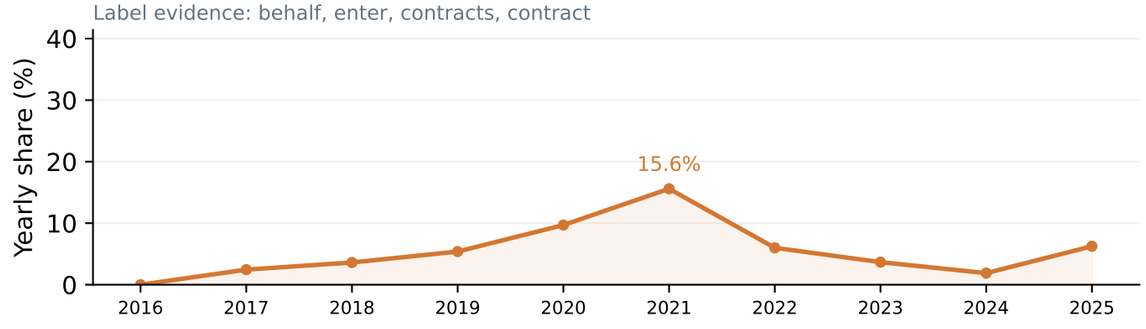

T3 · OCR-heavy enactment wording

Label evidence: sectioii, ordained, ard

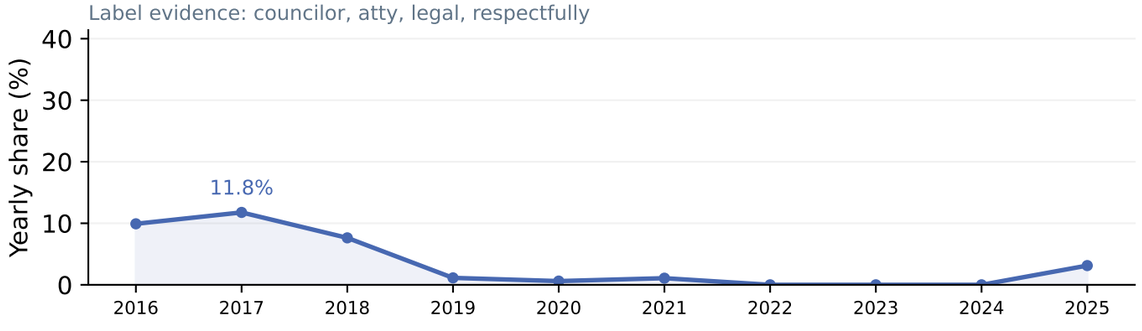

T8 · Mayoral contracting powers

Label evidence: behalf, enter, contracts, contract

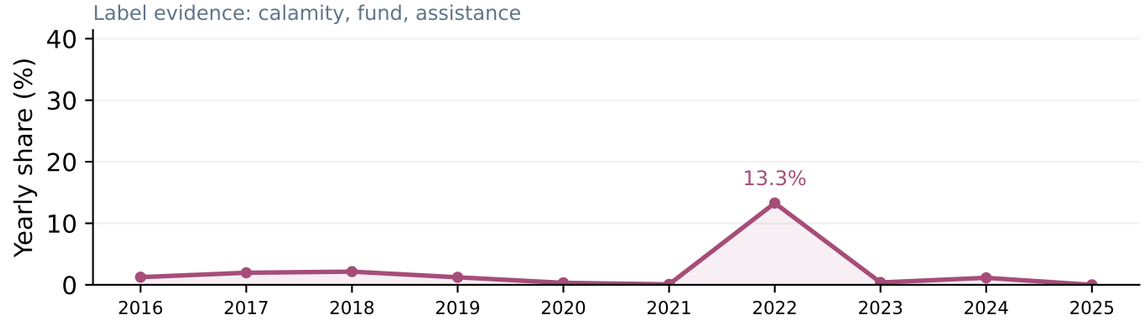

T27 · Council correspondence and legal endorsements

Label evidence: councilor, atty, legal, respectfully

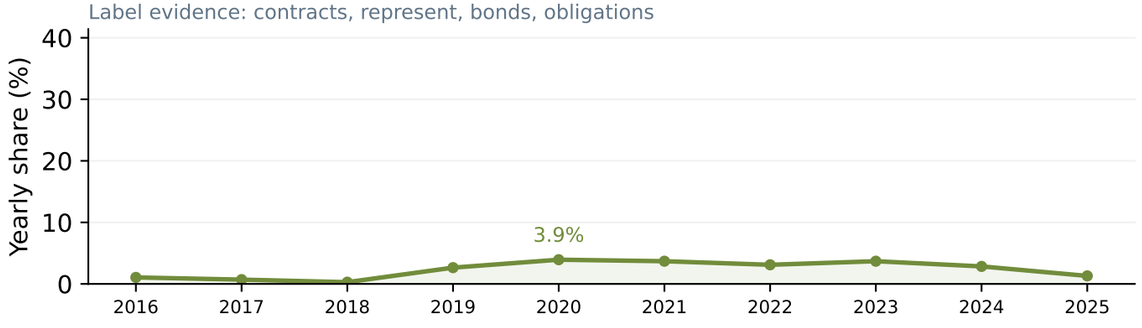

T15 · Disaster relief and calamity funding

Label evidence: calamity, fund, assistance

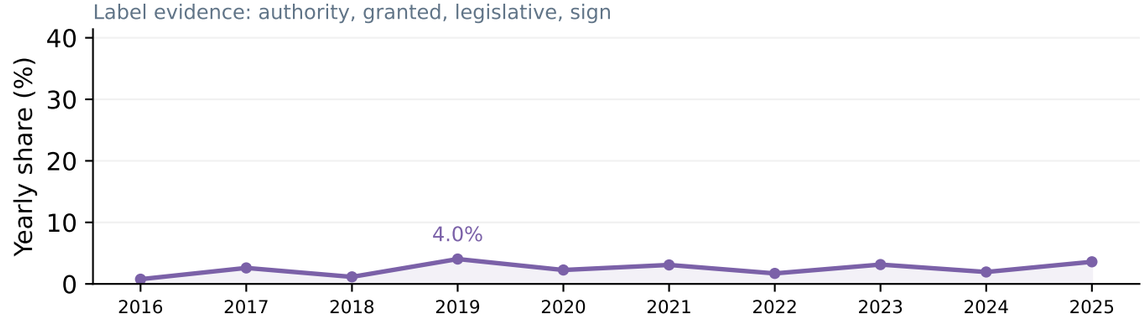

T0 · Contracting, representation and financial obligations

Label evidence: contracts, represent, bonds, obligations

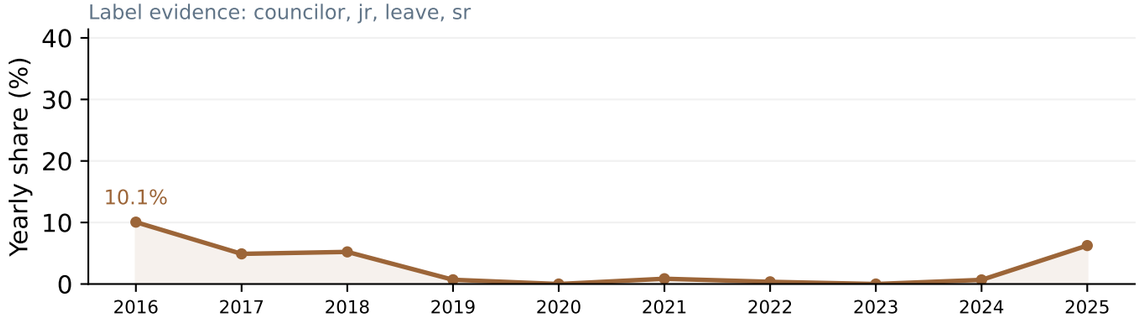

T1 · Mayoral signing and legislative authority

Label evidence: authority, granted, legislative, sign

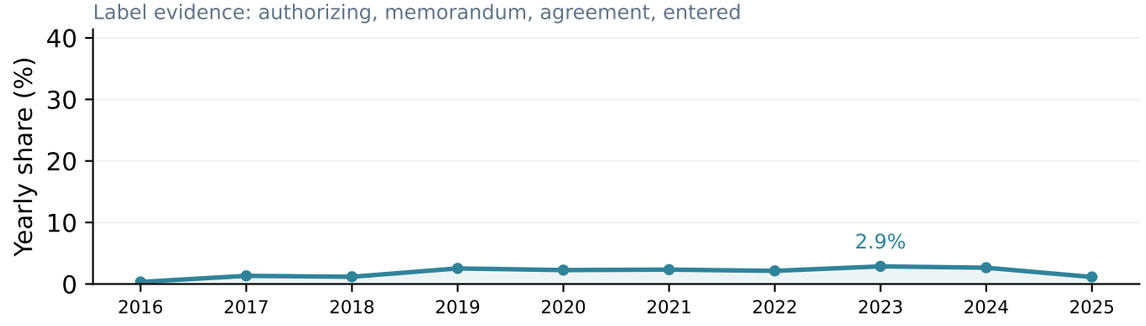

T50 · Council attendance and session records

Label evidence: councilor, jr, leave, sr

T2 · Agreements and mayoral authorization

Label evidence: authorizing, memorandum, agreement, entered

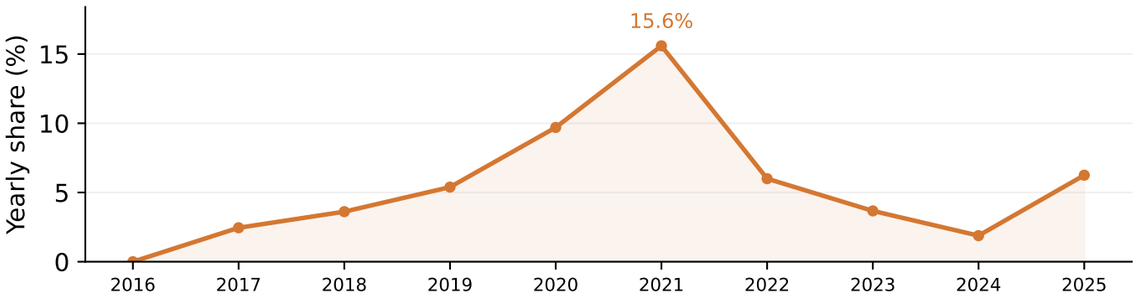

Document-weighted share = average within-document topic share in each year's included corpus; outliers remain in the denominator.
Lines connect annual observations only. Changes in this archive do not establish citywide policy growth, causation or statistical significance.

Model A · Lexical | Selected interpretable topic trajectories

Policy/governance keyword labels only; largest cluster per repeated title. This is a disclosed subset, not merged topics. Titles are drafts, not expert ratings.

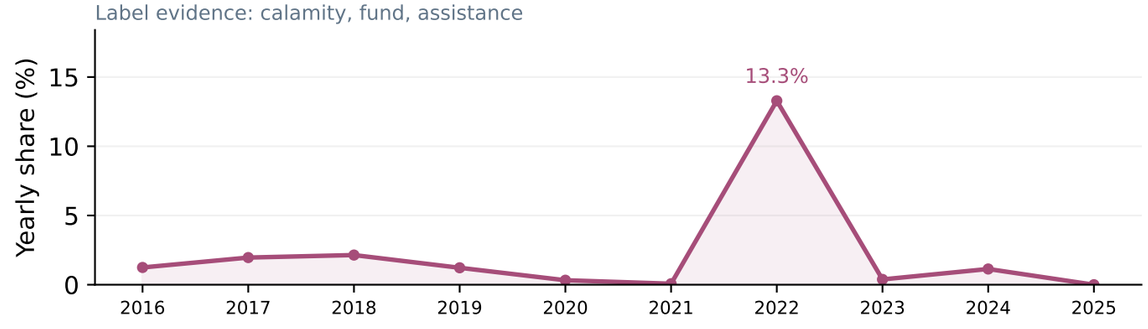

T8 · Mayoral contracting powers

Label evidence: behalf, enter, contracts, contract

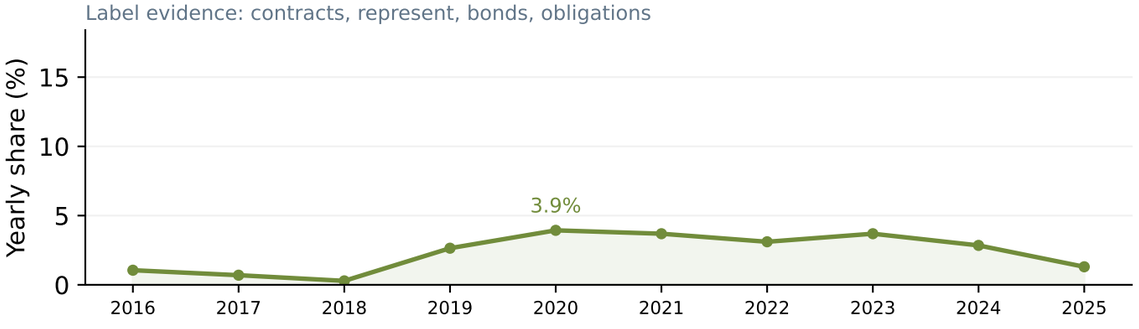

T15 · Disaster relief and calamity funding

Label evidence: calamity, fund, assistance

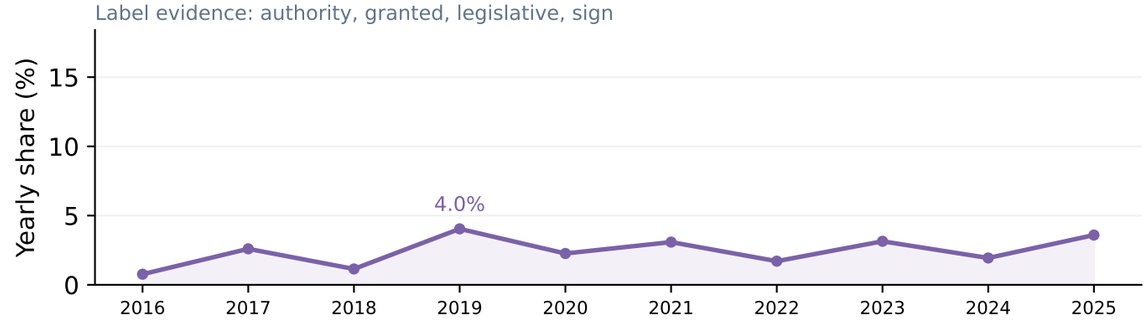

T0 · Contracting, representation and financial obligations

Label evidence: contracts, represent, bonds, obligations

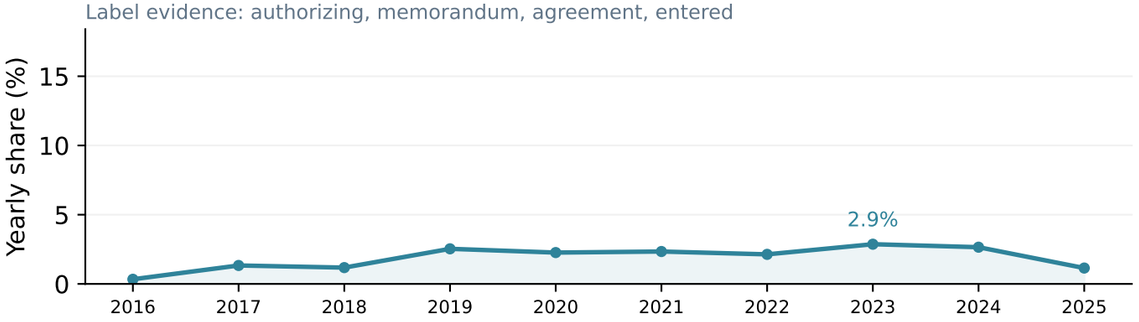

T1 · Mayoral signing and legislative authority

Label evidence: authority, granted, legislative, sign

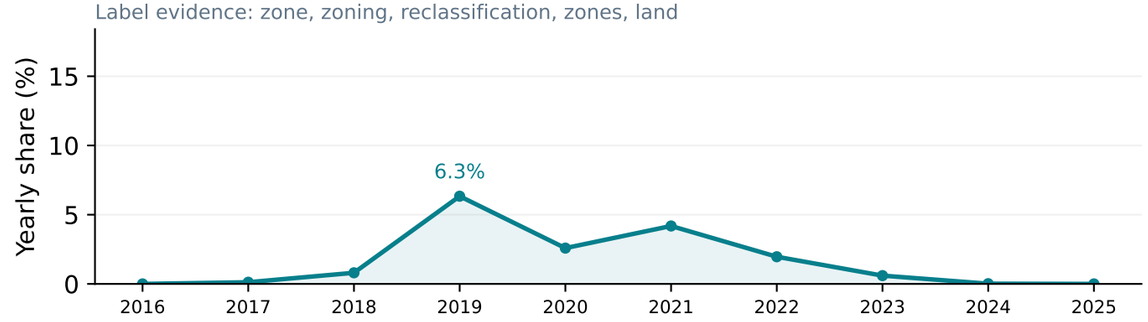

T2 · Agreements and mayoral authorization

Label evidence: authorizing, memorandum, agreement, entered

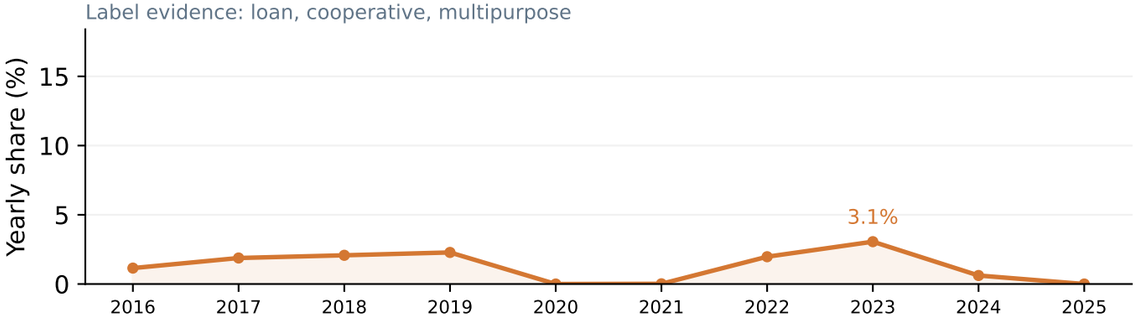

T28 · Land-use zoning and reclassification

Label evidence: zone, zoning, reclassification, zones, land

T21 · Cooperative financing and loan agreements

Label evidence: loan, cooperative, multipurpose

T35 · Government staffing and qualifications

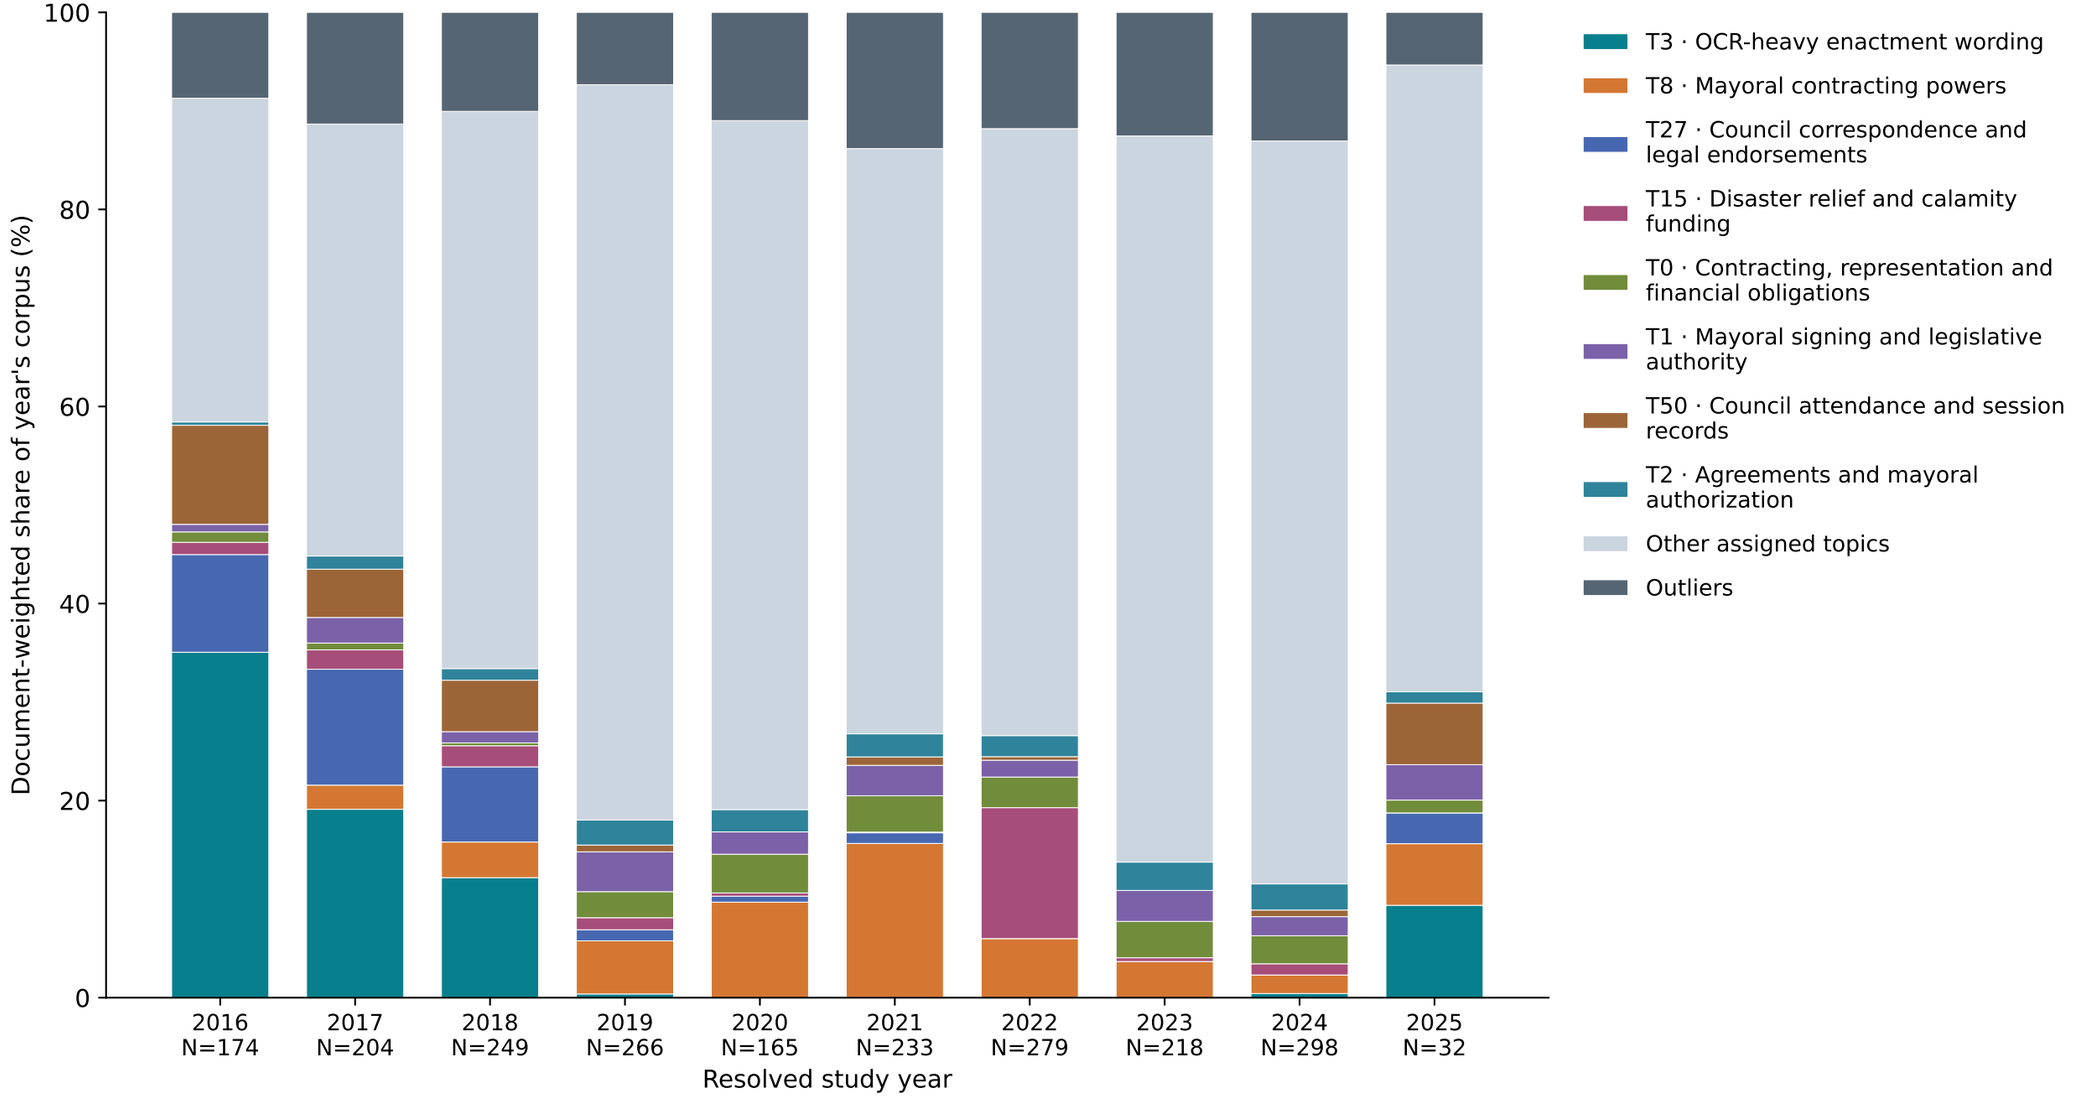

Label evidence: relevant, officer, administrative, experience, positions

Document-weighted share = average within-document topic share in each year's included corpus; outliers remain in the denominator.
Lines connect annual observations only. Changes in this archive do not establish citywide policy growth, causation or statistical significance.

Model A · Lexical | Topic composition by year

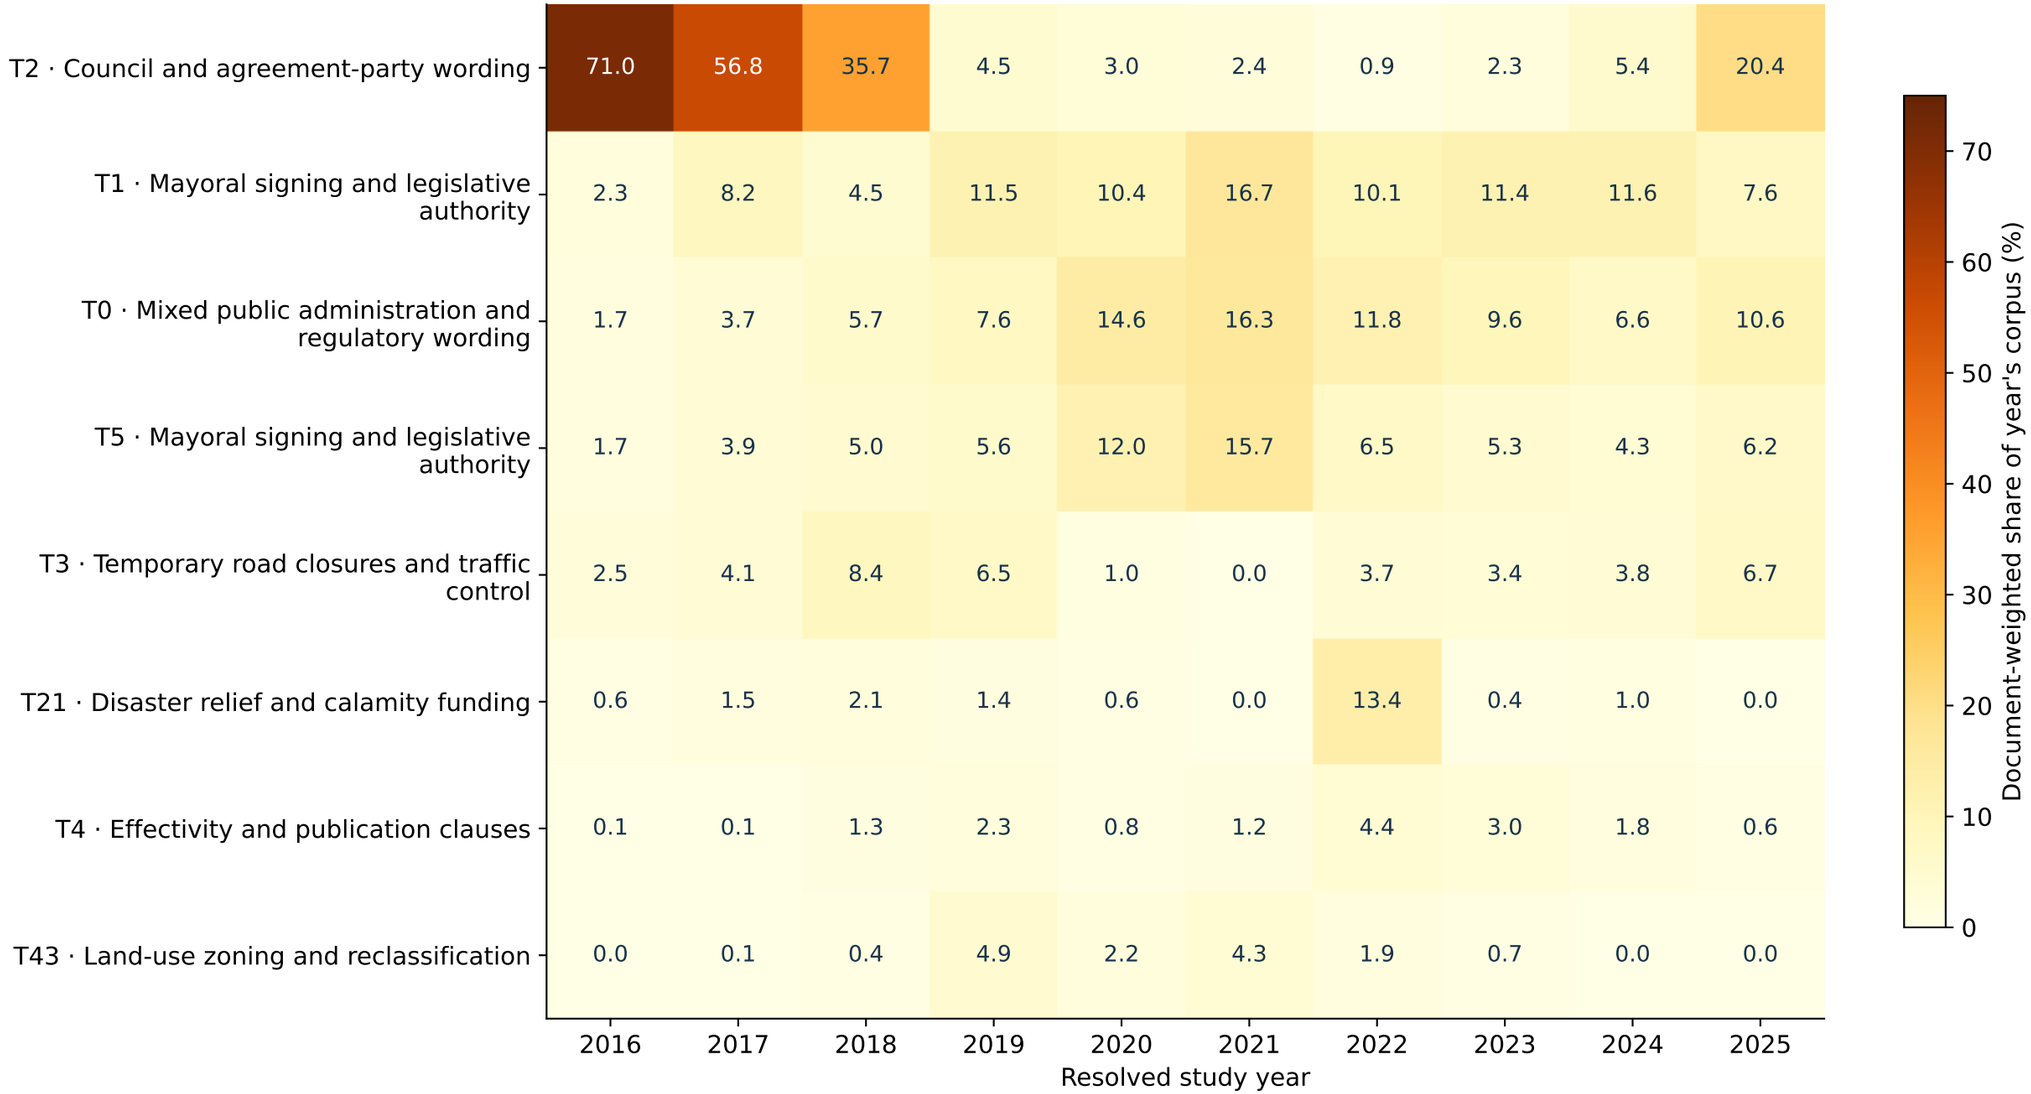

Leading topics plus all remaining assigned topics and outliers; every year's column totals 100%.

N = included source documents, not text units or all city ordinances. Each document contributes total weight 1.
Draft descriptive titles; similar titles in different models do not establish an exact topic match.

Model B · Legal-BERT | How leading topics vary over time

Top topics ranked by total fractional-document weight across 2016–2025. Draft titles summarize clustered keywords.

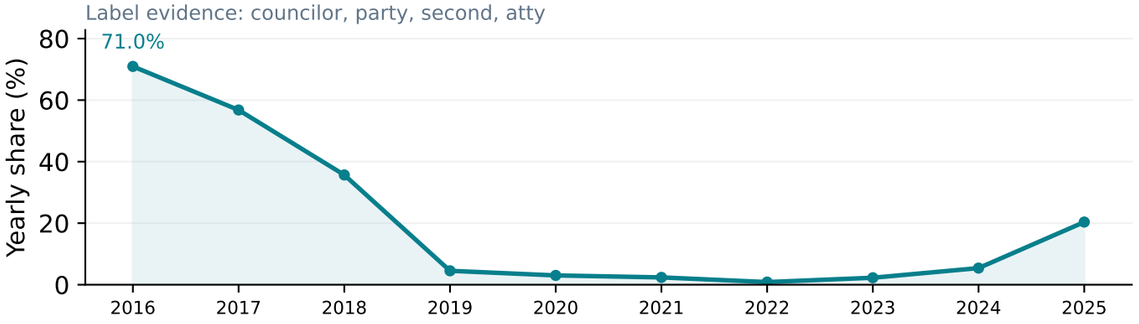

Includes procedural/OCR-heavy clusters when they rank highly; do not interpret those as substantive policy themes.
Same color scale across models. Topic IDs and titles do not imply cross-model equivalence.

Model B · Legal-BERT | Leading topic trajectories

Top clusters by total document weight; procedural and unclear clusters remain visible. Titles are drafts, not expert ratings.

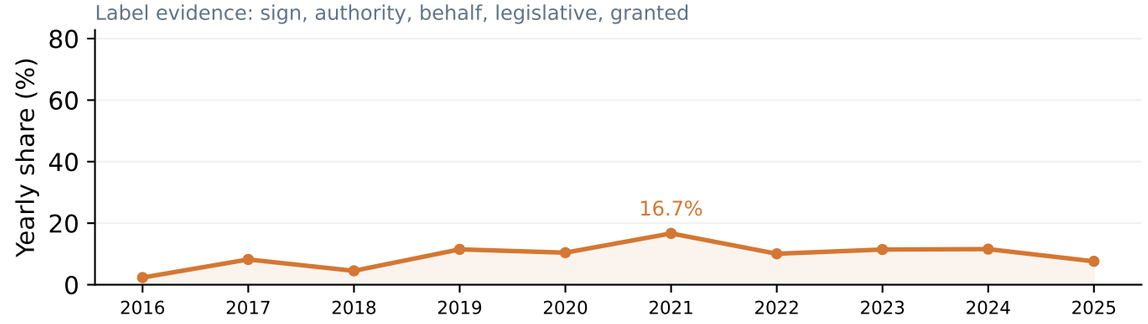

T2 · Council and agreement-party wording

Label evidence: councilor, party, second, atty

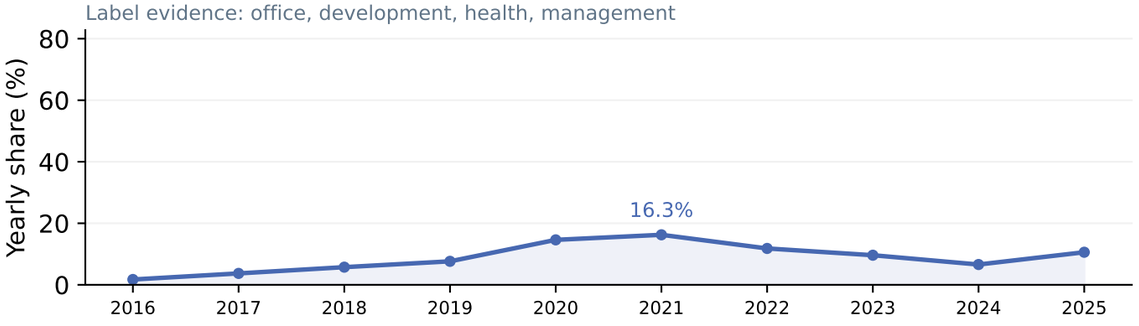

T1 · Mayoral signing and legislative authority

Label evidence: sign, authority, behalf, legislative, granted

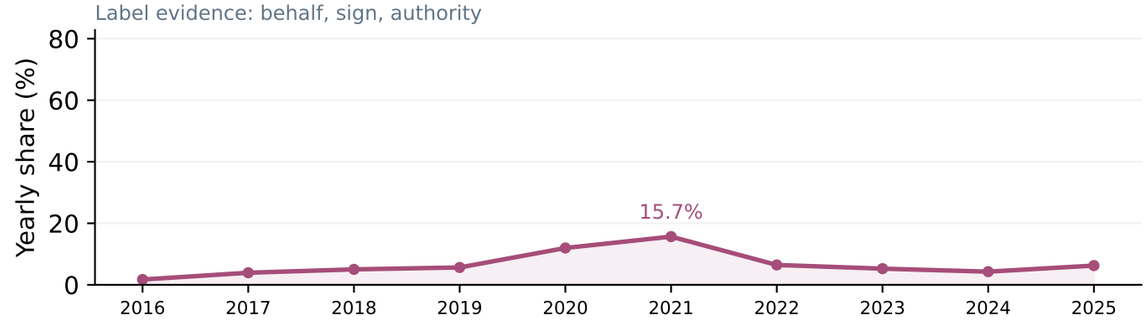

T0 · Mixed public administration and regulatory wording

Label evidence: office, development, health, management

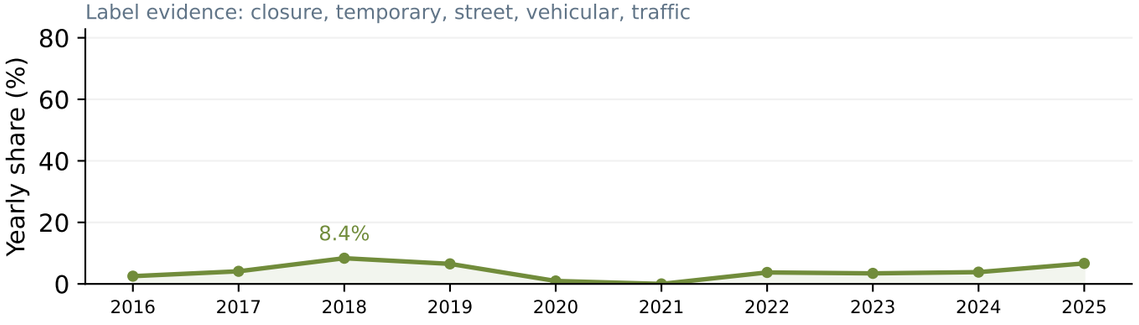

T5 · Mayoral signing and legislative authority

Label evidence: behalf, sign, authority

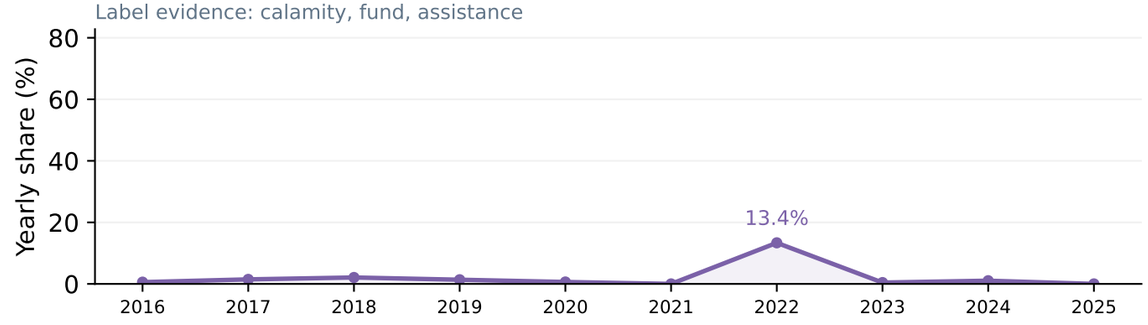

T3 · Temporary road closures and traffic control

Label evidence: closure, temporary, street, vehicular, traffic

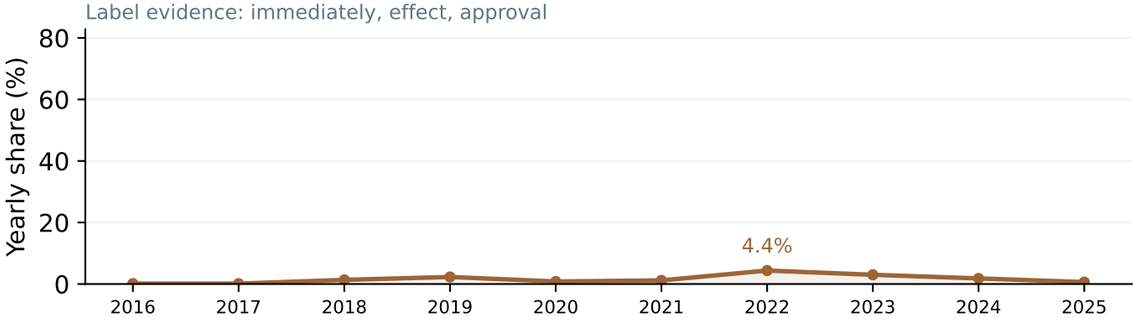

T21 · Disaster relief and calamity funding

Label evidence: calamity, fund, assistance

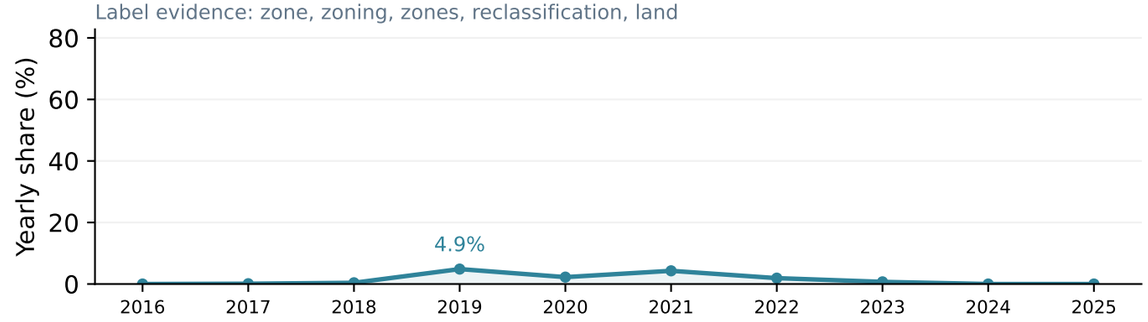

T4 · Effectivity and publication clauses

Label evidence: immediately, effect, approval

T43 · Land-use zoning and reclassification

Label evidence: zone, zoning, zones, reclassification, land

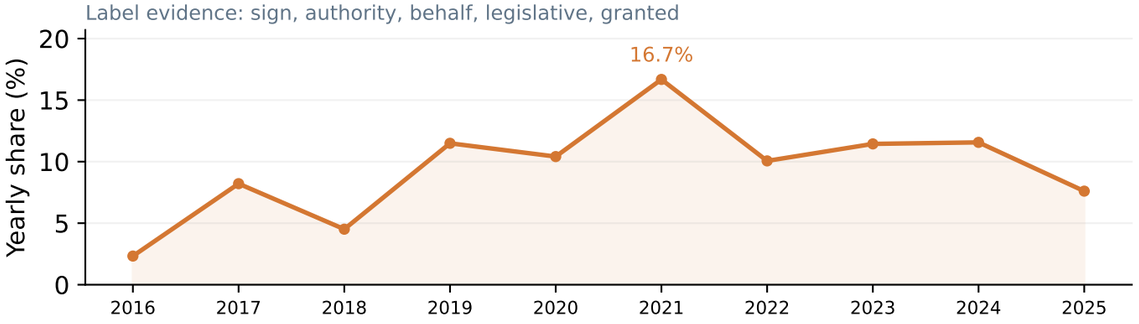

Document-weighted share = average within-document topic share in each year's included corpus; outliers remain in the denominator.
Lines connect annual observations only. Changes in this archive do not establish citywide policy growth, causation or statistical significance.
